**Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards**

**Federal Lead Warning Statement**

A buyer/tenant of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may contain lead-based paint and that exposure to lead from lead-based paint, paint chips or lead paint dust may place young children at risk of developing lead poisoning if not managed properly. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller/landlord of any interest in residential real property is required to disclose to the buyer/tenant the presence of known lead-based paint hazards and to provide the buyer/tenant with any information on lead-based paint hazards from risk assessments or inspections in the seller's/landlord's possession. "Designated Representation" occurs when the Seller or Landlord has entered into a listing agreement with a licensee and the Buyer or Tenant has entered into a buyer brokerage agreement with a different licensee affiliated with the same firm. Each of the licensees, known as Designated Representatives, represents fully the interest of his/her individual clients. The Supervising Broker is a Dual Representative of both the Buyer and Seller, and must not disclose information obtained in confidence to other parties in the transaction.
