**Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards
Federal Lead Warning Statement**

A buyer/tenant of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may contain lead-based paint and that exposure to lead from lead-based paint, paint chips or lead paint dust may place young children at risk of developing lead poisoning if not managed properly. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller/landlord of any interest in residential real property is required to disclose to the buyer/tenant the presence of known lead-based paint hazards and to provide the buyer/tenant with any information on lead-based paint hazards from risk assessments or inspections in the seller's/landlord's possession. A tenant must receive a federally approved pamphlet on lead poisoning prevention. It is recommended that a buyer conduct a risk assessment or inspection for possible lead-based paint hazards prior to purchase.

for transactions in the District of Columbia.)

Each of the licensees, known as Designated Representatives, represents fully the interest of his/her individual clients. When the parties agree to dual representation, the ability of the licensee and the brokerage firm to represent either party fully and exclusively is limited. The confidentiality of all clients shall be maintained.

- If the Seller or Landlord does not consent to Dual Representation, the property may not be shown by the licensee to any prospective Buyers or Tenants that have entered into a buyer brokerage agreement with the licensee.
- If the Buyer or Tenant does not consent to Dual Agency, the licensee may not show any properties listed by the licensee.
